

*Bishop Jack Urame and His Family*

**This evening, August 7,** Bishop Urame will speak at Our Savior Lutheran Church in Topeka, KS. The gathering will begin at 7:00 pm and Bishop Urame will speak about the challenges facing the church and the people of Papua New Guinea and respond to questions. Light refreshments will be served.

This is a very unique opportunity to hear the leader of one of our partner churches. Everyone is welcome to attend.

#### **Lunch at Martin Creek/Luther Place, Sunday, August 21**

Trinity and First Lutheran members are invited to lunch on August 21 at noon in the community room at Martin Creek, 4950 SW Huntoon (directly behind Luther Place Apts). After lunch there will be tours of Luther Place I and Luther Place II as well as information about the amenities available there. Trinity and First elect members each year to serve on the Topeka Lutheran Home Association. This event is an opportunity for both churches to learn more about Luther Place/Martin Creek.

Doorstep has temporarily closed their clothing bank pending some remodeling and cannot accept donations at this time. Please share your donations with other helping agencies such as the Rescue Mission in the interim. The remodeling process should take 3 weeks or less, and be ready to reopen for clients and donations around August 22<sup>nd</sup>. Thank you!
