### **Food Room Needs:**

Since April 2023 the need for food assistance has drastically increased! Doorstep has already spent \$25,000 on food purchases this year to keep the pantry stocked and our neighbors fed. This is \$15,000 over what was budgeted, and we still have four months left in 2023. We have provided 12,000 – 14,000 pounds each month to households in need, and since April we have received an average of 1,800 – 3,000 pounds of food each month. This is a big difference.

We know everyone is struggling, just as we are to keep our shelves stocked to provide a full food order to our neighbors in need. Please give where you can...
