Fundraiser for Elevator Repair

We are so close to reaching our \$12,500 goal for the elevator repair expense.

Please continue with your donations to the elevator repair fund. The special envelopes will be in your bulletins until the end of October.

Any funds collected beyond that which is needed for the immediate repair will be held for future elevator maintenance and repair.

As much as we need our elevator repaired, we have brothers and sisters who have lost everything because of Hurricane Helene. Lutheran Disaster Response strives to help the church continue to be church in the midst of disaster — following Christ’s call to share hope and healing with our neighbor in need.

Please consider going to the ELCA webpage — elca.org — and click on the red “donate” button to give a donation in any amount. Be sure to take note of the drop-down menu to direct your donation to *Lutheran Disaster Response:*

Food Donation for Doorstep = Food for Our Neighbors

As Bob mentioned last week, our September Doorstep food collection was down a little bit; Bob & Janeen delivered 196 items weighing in at 192 pounds. Perhaps this slight dip was due to the holiday weekend. But every single item and pound goes a long way to help our neighbors in need.
