

HELP SPONSOR A 2025 SUMMER STAFF MEMBER

What does sponsoring a summer staff member entail?

We agree to support this staff member all summer, by sending letters of encouragement, and providing a support system for them.

We are asked to help pay their summer salary. Our goal will be \$3,000 and realize we may not be able to support the full amount, anything we can contribute would be greatly appreciated.

GOAL

Summer Staff will be paid \$3000 (first year) and \$3250 (returning) staff members.

In the past Trinity has been generous to sponsor a Camp Tomah Shinga team member and we are asked to help sponsor a staff member this year?

Jordan tells us anything we can contribute would be greatly appreciated.

There will be 12 staff members this summer.
