Members of Central States Synod congregations are invited to join us for conference gatherings. While our synod assembly theme is "Life Together," we will be meeting online across the synod. That is why we would like to take this opportunity to gather in-person at the conference level. Our day together will include worship, synod updates, and a listening post. Following lunch, Pastoral Leaders will have time to gather and meet with the bishop and synod staff.

Although organized by conference, you are welcome to attend whichever session is closest or most convenient for you. Lunch will be provided, and there is no cost to attend.

Please don't wait to RSVP so we can better plan our day together. More details will be shared soon.
